

COMPARING LONG HUNTERS TO INDIAN HUNTERS:

How was the hunting done by the long hunters different from the hunting Indians had been doing for centuries?

Read the articles from the Tennessee Encyclopedia of History and Culture. Compare the paintings of Daniel Boone in 1757 and of a Native American “dressed for the hunt”. Examine the photographs of examples of hunting equipment used by Indians and then compare them to equipment used by long hunters.

Complete the following chart:

Characteristic	Native Americans	Long Hunters
Describe the differences in clothing		
Why they hunted animals		
Hunting equipment they used		
The animal parts they used		
Types of animals they hunted		

After long hunters and settlers began hunting in Tennessee, what do you think was effect the wildlife population?

What effect do you think the long hunters had on the Indians’ ability to trade animal skins for European goods?
